This matter comes before the Public Service Commission of South Carolina (the Commission) by way of the request of Jason Robinson d/b/a ADR Taxi Cab (the Applicant) filed January 21, 2011, whereby the Applicant seeks approval of amendments to Class C Taxi Certificate of Public Convenience and Necessity No. 8272. The Applicant requests approval of a change in the scope of authority and approval of a change in the passenger restriction appearing on such Certificate. A review of the docket file reveals that the Applicant was granted authority to operate under a Class C Certificate of Public Convenience and Necessity (Certificate No. 8272) by Commission Order No. 2010-324, dated May 4, 2010.

Currently, the Applicant's authority to provide passenger service (Certificate No. 8272) reads as:

...to furnish passenger service...as follows:

Between Points and Places in Beaufort and Jasper Counties, South Carolina  
Restricted To: Six (6) Passengers.

The Applicant requests to amend the scope of operating authority to statewide and to increase the passenger restriction from six (6) to seven (7) passengers.

Based upon review of the matters asserted in the present requests, the Commission is of the opinion that the relief sought by the Applicant should be approved.

IT IS THEREFORE ORDERED:

1. That the relief sought in the request for modification of Certificate of Public Convenience and Necessity No. 8272 of Jason Robinson d/b/a ADR Taxi Cab by changing the scope of operating authority thereon from between points and places in Beaufort and Jasper Counties, South Carolina to between points and places in South Carolina be, and hereby is, approved.

2. That the relief sought in the request for modification of Certificate of Public Convenience and Necessity No. 8272 of Jason Robinson d/b/a ADR Taxi Cab by changing the passenger restriction thereon from six (6) passengers to seven (7) passengers be, and hereby is, approved.

3. That said approvals are for a change in the scope of operating authority and for a change in the passenger restriction authorized by such Certificate but does not otherwise authorize any change in the operation of the regulated services.

4. That a modified Certificate shall be issued by the Office of Regulatory Staff to the Applicant as provided herein.

5. That prior to compliance with statutory and regulatory requirements and the receipt of such amended Certificate, the modified motor carrier services authorized by such Certificate may not be provided under the amendments approved herein.

6. This Order shall remain in full force and effect until further order of the Commission.
